

PROTECT AGAINST BUDGET-BUSTING REPAIRS WITH SERVICE GUARD

ENJOY PEACE OF MIND FOR JUST
\$6.95 PER MONTH

What's Service Guard?

Service Guard is a protection plan from Wheat State Technologies that provides **FREE** diagnosis and **FREE** repair or replacement of your interior fiber internet wiring, interior voice telephone wiring*, and the high-speed internet router we provided.

Why Should I Get Service Guard?

If your fiber internet stops working and you don't have Service Guard, you'll pay a \$50 trip fee for a technician to come to your house. Labor costs would be \$100 per hour, and equipment replacement could be as much as \$99.

With Service Guard, our technician will come to your house for **FREE** and perform the covered services.

ARE ROBOCALLS ILLEGAL?

A robocall trying to sell you something is ILLEGAL unless the company got written permission, directly from you, to call you that way.

To get your permission, the company has to be clear it's asking to call you with robocalls. The company also can't make you agree to the calls to get a product or service. If you're getting robocalls trying to sell you something, odds are the calls are illegal. Many are also scams.

If you receive a robocall and you haven't given the caller your written permission, hang up! Then, file a complaint with the FTC or the FCC and be sure to check the National Do Not Call Registry to enter your phone numbers on the list.
